Secure & Comfortable ...*

PHILOSOPHY

Quality is our utmost priority. Every unit of our product has to go through stringent quality control complying with MS1599:1998 (EN345:1998) & ISO9001:2008, and most importantly with the safety of its user prioritized.

VISION

We envisioned ourselves to be the best designer, producer and distributor of safety footwear in the Asean region by 2016 in terms of product quality, safety, reliability and comfort with zero defect to be the target.
